

Bodysuit Size Chart (Girls)

Size	4	5	6	8	10	12	14	Teen XS	Teen Small	Teen Med	Teen Large
Girth (inches)	40	42	44	46	48	50	52	54	56	58	60

Girth measurement is taken from the top of the shoulder, down between the legs at the groin and back up to the top of the same shoulder in a loop.

Our bodysuits are made from fabrics with 70% four way stretch. They will move with your body. Choose the size that is closest to your girth measurement for a proper fit. If you want growing room, then choose one size larger.
