NOTES & CLARIFICATIONS	
-----------------------------------	--

Delta Invitational	In May 2024, DGS will host the Delta Invitational. These hours reflect the help needed to deliver this event.
Additional Participation	These hours to be completed during the year from July to May. Many options of activities and events.
Opt Out	Parents can opt out of the parent participation requirements by submitting payment for the amount owing in accordance to the requirements.
Balance Owing	Hourly rate of parent participation is set at \$20 per hour or as stated in the matrix. If PARTIAL requirements are completed (including payments for missed hours) - the amount charged will be the BALANCE left of the total requirement.
Exceptions	If parents are unable to fulfill these requirements, please submit a letter to the Executive Director explaining the reasons why when registration packages are due in the office. Decisions will be made on a case by case basis.
Sign Up	All participation postings will be listed through the Sign Up Genius online program. All postings will be completed on a first come-first served basis. To access Sign Up Genius you can go to the bottom of the home page on our website under "Informative Links".
Recording Hours	It is the parent's responsibility to record their completed hours. There is a binder at the office counter where parents can record their hours.
Withdrawal From the Program or Late Entry	We count on the participation of all parents throughout the year. - If joining the program late you will be given your requirements at the time of registration. -If withdrawing from the program, any outstanding hours not completed until last day of training will be added to your statement and additional participation hours will be pro-rated for the portion of training completed.
Events Update	The above hours are based on hosting Delta Invitational, Spring Fever, & other events. Should these events be cancelled or unable to run, participation requirements will be adjusted accordingly.
